

Opening Song “Three Little Pigs Groove”

This is the story of the Three Little Pigs.

They had to build themselves a home of their own.

Well, the first pig grabbed whatever he saw,
built himself a house out of STRAW!

Well, the next pig thought he was slick,
built himself a house out of STICKS!

Well, the last pig knew all the tricks,
built himself a house out of BRICKS!

And that’s the story of the three little pigs.

Song 3: "Jailhouse Rock"

The warden threw a party in the county jail
The prison band was there and they began to wail
The band was jumpin' and the joint began to swing
You should've heard them knocked-out jailbirds sing

Let's rock everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock

Spider Murphy played the tenor saxophone
Little Joe was blowin' on the slide trombone
The drummer boy from Illinois went crash, boom, bang
The whole rhythm section was the Purple Gang

Let's rock everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock

Narrator(s)/Everyone: The end! For real!
